

Future Plan of Action

Considering the requirements of the students and the administration, the IQAC, Tangla College has a plan to request the authority to provide some infrastructural as well as academic facilities. These include:

1. The College authority decided to send a proposal to the NCC division, i.e., NCC Tezpur Unit ANO for derailment of our CTO, Prof. RupanBaro to the PRCN Course at NCC Officers Training Academy (OTA), Kamptee, Nagpur for upgradation to ANO.
2. To hold inspirational and motivational programmes among the students through art competitions, Debate competitions, Extempore speech, Quiz etc. of Greater Tangla Area from Class I to TDC 6th Semester.
3. To hold more lecture programmes on Environmental issues for awareness among the students by inviting distinguished Resource persons.
4. Construction of additional classrooms to meet the shortage of classroom and also for smooth functioning of the teaching learning process.
5. To purchase latest computers and colour printers for the smooth functioning of IQAC works and Documentations.
6. To organize more student induction programmes on various relevant issues among the honours students of the College.
7. To organize relevant seminars, workshops, and lecture programmes.
8. To organize awareness programmes on COVID-19 vaccination.
9. To organize more motivational programmes among the students through the Motivational Cell, IQAC.
10. To revive vibrantly the outreach programmes in the Adopted Village as well as in the neighbouring areas through awareness programmes on witchcraft, women right and literacy, anti-drug awareness programme, etc.
