TANGLA COLLEGE, TANGLA

A PROFILE

Tangla College (*Tangla Mahavidyalay* in Assamese and *Tangla Jousin Foraisali* in Bodo) came into existence in the year 1970 as a result of sincere and untiring efforts of some of the leading personalities of the northern part of the undivided Darrang District of Assam. The college is located in a plot of land of 101 bighas 2 kathas 15 lechas reserved by the Government of Assam in the name of Tangla College. Late Hiralal Patowary, the then MLA of Panery Legislative Assembly Constituency, was the first secretary of the sponsoring Body and late J. Duara, the then Sub-Divisional Officer (Civil) of Mangaldai Sub-Division, was the President of the Body. The College was set up with the noble objective of catering the needs of higher education to the socially and economically backward people of the region. Initially, the college started to impart Arts education at Pre-University level. The Degree Courses in Arts was introduced in 1972.

The establishment of Tangla College was a bold step in spreading and promoting higher education and dissemination of knowledge in the North-Western part of the then Darrang District of Assam. Since its inception, Tangla College has been the nerve-centrefor intellectual, academic and cultural pursuits in the region.

In the history of Tangla College, the initial stage was quite remarkable. The college Foundation Stone was laid on 17/11/1969 by the then Education Minister Jaybhadra Hagjer and was Inaugurated on 20th July 1970 by Dehiram Boro, the First Graduate of the Greater Tangla Area. It started functioning with an enrolment of only 143 students in the building of Tangla Marketing Society with an arrangement for holding classes in both Day & Night shifts. Later, the College was shifted to its own premises from the 1st March 1971.

Initially, the college could offer facilities for Arts stream only, including a few common subjects for both Commerce and Arts (i.e. Book-keeping, Business Methods, Commercial Geography, Commercial Arithmetic etc.) at the Pre-University level.

The college was taken over by the Government of Assam under Deficit-Grant-in-Aid System in December 1975, i.e. after five years of its establishment, the credit for which goes to the sincere and untiring efforts of Late Ramesh Chandra Saharia, the then

MLA of Paneri Legislative Assembly Constituency and the then President of the Governing Body of the College.

The College introduced the subjects of Commerce Stream at Pre-University level in the Academic Session of 1972-73. The faculty of Commerce in this College was elevated to the Degree level in the year 1979 and brought under the Deficit Grant-in-Aid System with effect from February 1986.

The college opened a new chapter in its history by introducing the Science Stream in the Higher Secondary level in the year 1987-88. The Science Stream was also the fruit of the efforts of some leading personalities of the area and the initiative taken by the College Governing Body. Now, it is a degree level stream with major courses in some of the important subjects. Science faculty has already obtained permanent affiliation from Gauhati University in 2009 and the Faculty been taken over by the Govt. of Assam in its New Provincialisation Scheme w.e.f. 01-01-2013.

The college has introduced a Job Oriented Integrated Course of *Certified Industrial Accountants* (CIA) since February, 2015 in collaboration with the Institute of Computer Accountants (ICA) which is a collaboration partner of National Skill Development Corporation (NSDC), with its HQ in Kolkata and a Regional Centre at Panbazar, Guwahati. A short write up, admission form, etc of the Institute are being attached at the end of the brochure.

Moreover, the college has been selected for upgradation to a *Model Degree College* by the Govt. India under Rashtriya Uchchar Siksha Abhiyan (RUSA), Phase - 0.1. Through the best implementation of the Scheme the college has achieved far better academic environment for its excellence.

Our college has adopted the Four Year Under Graduate Programmes (FYUGP) launched by the Bodoland University with effect from the academic session 2023-24.

Thus, at present, Tangla College is a full-fledged Degree College with three streams i.e. Arts, Commerce and Science, with students' strength of more than three thousand. In all the streams there are inspired and dedicated teachers teaching both MAJOR and GENERAL COURSES.

VISION

Tangla College, a premier educational institution, started with a vision of learning and spreading light of knowledge over all the corners of the region. The College today strives towards all round development of the students in academic pursuit, scientific outlook and co-curricular activities. Inculcating value-based education, it tries to keep pace with the changing needs and trends of modern world.

MISSION

The MISSION of our college is to set Standard of Excellence in the Creation and Preservation of Knowledge and Innovation in order to help bring about development and scientific out-look among the people of socially and economically backward interior localities of the Udalguri District in particular and the North Western part of Darrang District of Assam, in general; and to ensure the continuity and advancement of human civilisation through collaboration with the Bodoland University and the University Grants Commission (UGC).

MOTTO

The motto of the college is "Let the light of knowledge spread over all corners".

STUDENTS' WELFARE SCHEME

For every academic session, an elected body of students manages the welfare activities of the students as per the constitution of the Union under the guidance of the Teachers-in-charge. The elected body is known as "*Tangla College Students' Union*" (TCSU). Its membership is compulsory for every student admitted in the College. Election for the executive body of the Union is held democratically in every academic session.

For all round development of the students, the College organizes various co-curricular and extra-curricular activities such as debate, extempore, spot writing, recitation, essay writing and cultural programmes. Students are always encouraged to participate in various sports and games competitions. They are also encouraged to do community and social service in and around the college.

COLLEGE UNIFORM

Wearing of College Uniform during college hours is mandatory for all students.

Uniform for Boys : Formal Black Trousers , sky-blue shirt with any type of footwear. Low waist trousers/jeans pants are not allowed.

Uniform for Girls : Black *Salwar*, Sky-blue *Kameez*, Black *Dupatta*. Slacks and Leggings are not allowed. Boro Girls wear a distinct type of their traditional uniform of Parrot Green *Dokhona* with white Blouse and white *dupatta (Phali)*.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

Tangla College IQAC was formed in the year 12-06-2003 with the objectives of (i) developing a mechanism to promote conscious, consistent and catalytic action plans to improve the academic and administrative performance of the institution and (ii) promoting institutional quality enhancement and sustenance through the internalization of quality culture and institutionalization of the best practices.

For attainment of these objectives, our college adopt the following strategies:

- i. Ensuring timely, efficient and progressive performance of academic, administrative and financial units;
- ii. Adoption of relevant and quality academic programmes;
- iii. Ensuring equitable access to and affordability of academic programmes for various sections of the society;
- iv. Optimization and integration of modern methods of teaching and learning;
- v. Ensuring credible assessment and evaluation processes;

- vi. Ensuring the proper allocation, adequacy and maintenance of support structure and services; and
- vii. Sharing of teaching-learning resources and networking with other institutions in the neighbouring areas.

COUNSELING CELL

Tangla College has a Counseling Cell for the students. The Cell arranges three counseling classes, one each for all the three streams, just before the admission to the Degree First Semester where students are apprised of the various subjects, subject combinations and their future prospect. Thereafter, three counseling classes are organized before each of the successive semesters (one in July and the other in the month of February) where students' feedback are taken, analyzed and decisions are taken for future activities. The Cell also provides personal counseling for the needy students.

GRIEVANCE REDRESSAL CELL

The Grievance Redressal Cell of Tangla College is headed by the Principal of the College. The Cell brings to the discussion on the grievances of the teachers, employees and the students and then tries to provide necessary solutions. Complaints/grievances are received through two drop boxes, one of which is placed in front of the Central Library and the other, in front of the Administrative Building.

CINE- LIT FORUM

The faculty of English, Assamese, Boro and Bengali departments jointly formed CINE-LIT FORUM to hold film show, seminar, workshop, discussions on cinema and literature. The Forum provides a platform to exercise some much needed inter-departmental activities.

TANGLA COLLEGE ARTS FORUM

The faculties of Arts Stream of Tangla College, Tangla have organized a forum named as "Tangla College Arts Forum" with a motto of creating awareness and development in the subjects of Social Sciences. The Forum organizes seminars, workshops, special lectures and different awareness programmes for the benefit of the students community.

TANGLA COLLEGE COMMERCE FORUM

Tangla College Commerce Forum has been working towards spreading and expanding commerce education in the region. The Forum organized a good number of seminars and workshops in the recent past. This year too it has undertaken some projects.

TANGLA COLLEGE SCIENCE FORUM

Tangla College Science Forum dedicates time and energy for spreading scientific knowledge and temper by holding seminar, workshop and film show. The Society has undertaken some programmes to be implemented this year.

PROVISION OF POWER GENERATOR

Tangla College possesses an Electric Generator and provide electricity at the time of power cut so that essential teaching-learning and official work can go on smoothly.

UGC GRANT

Tangla College has been enjoying grants from UGC under 2(F) & 12(B) scheme since its recognition under the 8th Plan.

RUSA GRANT

Our college received RUSA Grant under Upgradation of Existing Degree Colleges to Modern Colleges through RUSA -0.1 during 2015-16 to 2019-20. The grant has been utilized properly and the Science Lab., Computer Lab., Central Library of the college and many other infrastructure facilities have been upgraded and modernized with the grant.

NAAC's ASSESSMENT & GRADE

In 2004, the College had one more feather in its cap when the National Accreditation and Assessment Council (NAAC), after proper verification of facts, awarded 'B' Grade to the College. During that year, the NAAC had assessed four other Degree Colleges of the undivided Darrang District of Assam. To the credit of Tangla College, the NAAC awarded 'B' Grade only to our College. The College has been accredited again with B grade in January 2023.

TEACHERS

The College has a brilliant group of teachers of whom some are First Class Degree holders. Teachers are always encouraged by the college to engage themselves in research activities by sanctioning study leave and making adjustments in the teaching-learning plan. The teachers are academically well equipped and quite a number of them have been regularly attending National and International academic seminars, workshops and conferences. A good number of teachers possess Ph.D. and M.Phil. Degrees and some more are carrying research works under U.G.C. and ICSSR sponsored schemes. Some of the teachers in humanities are regularly contributing articles, stories to magazines and newspapers. They have quite a number of published books to their credit. Most of the teachers are the members of their respective professional bodies.

The college had introduced PG Courses in ARTS, COMMERCE, SCIENCE (Maths) and PGDCA under Gauhati University Institute of Distance and Open Learning (GUIDOL) from the Academic Session 2015-16. Graduates in any of the above disciplines can join the courses. This distance mode of teaching and learning is stopped since 2019-20 due to shift of affiliation from Gauhati University to Bodoland University.

SCHOLARSHIP/AWARDS

Deserving students can enjoy various Central and State Government Scholarships such as National Merit Scholarship, State Merit Scholarship, Scholarship to char area students and ITDP sponsored SC/ST/OBC/MOBC /Minorities Scholarship. The poor students can also enjoy BPL scholarship from the Govt. *The scholarship holders must have 75% attendance.* Meritorious students belonging to economically weaker sections of the region are also awarded with "Ishan Uday" – UGC's special scholarship scheme for the students of the North East Region.

MAGAZINE

Tangla College Magazine is published regularly and has earned quite a reputation for its excellent content and won a medal in Gauhati University Youth Festival. The Magazine publishes articles in English, Assamese, Bodo and Bengali.

SEMINAR & WORKSHOP

In spite of paucity of fund and other difficulties, seminars, symposia, workshop and talks are organized by our College for creating an environment conducive to the all round development of the students as well as the teachers.

CULTURAL ACTIVITIES

Every year, the students of Tangla College participate in the Youth Festival organized by the Gauhati University. The College has earned a good name of winning prizes every year. Our Folk Dance and Songs troupe represented the Gauhati University (GU) in the Inter-University Youth Festival (North Zone) also. The College has a reputation of earning prize as the most Disciplined Team in many of the Youth Festivals.

GAMES & SPORTS

Tangla College has earned a good name in Games and Sports. There is a properly measured playground in the College. The College participates in the Inter College Tournaments of game and sports conducted by the G.U every year and quite a number of players of the College are regularly selected by the G.U Sports Authority to represent the University Football Team in the Inter-University Football Tournament. The College Team has earned the distinction of being the runners up of the G.U Inter College Football Tournament several times and of winning the fair play trophy.

NSS (National Service Scheme)

Students (Boys and Girls) are enrolled into this scheme of training for youth at the service of the Nation every year. The scheme aims at “development of personality of students through community participation”. The motto of the scheme is “NOT ME, BUT YOU” meaning thereby that the service I render is not for myself, but for the society as a whole. The scheme is headed by experienced Programme Officer under the auspices of the Ministry of Youth Affairs and Sports, Govt. of India.

NCC (National Cadet Corps)

A limited number of students are enrolled into this training course under 5 Assam Bn NCC, Tezpur. Our college has a PRCN trained Associate NCC Officer (ANO) – Lt. Rupan Baro. The motto of NCC is “UNITY AND DISCIPLINE”. Apart from imparting training on Civil Defense, cadets are also trained to maintain peace and integration among the different sections of people in a society. Cadets are awarded with B and C certificates after passing their respective examinations held every year which are of great value in acquiring services in regional and national defense. The NCC of Tangla College brings laurel to the College every year, especially through its parades on Independence Day & Republic Day Celebrations. In the year 2023-24, SUO Bhitli Rabha of our college NCC represented NCC-NER Region as a Flag Commander.

STUDENTS' AID FUND

Financial assistance is granted to the poor students out of the students' aid fund. Such grants are given to the poor and meritorious students on the basis of their application with proof which are selected and approved by the screening admission committee.

HOSTEL FACILITIES

To fulfill the long-felt need of a section of students of the college, hostel facilities have been provided for needy Girl Students. The college authority has been putting its sincere effort to make the buildings conducive to learning and security. Interested girl students have to apply in a separate Application Form to be issued from the College Office just after their Admission. A Boys' Hostel is also coming up which will be ready for accommodation for limited students from the academic year 2020-21. It is to be noted that, as the Hostel seats are limited, first preference will be given to the students of TDC 5th Semester Major Course students of any of the three disciplines, 2nd preference to the 3rd Sem Major students, then to the 1st Sem Major students. The general course students, if any, will be adjusted after allotting the seats to the aforesaid major students.

GOVERNING BODY

The College is governed and managed by a dynamic Governing Body approved by the Director of Education, B.T.C. The Governing Body of the college is constituted with a President and 11 (eleven) other members – the Principal of the College being the Secretary, Vice Principal, the Ex-Officio Member, 2 (two) representatives of the Gauhati University, 3 (three) Guardian Members, one of whom is a lady, 2 (two) representatives of the Teaching Staff, 1 (one) representative from the Non-Teaching or Office Staff and a Donor member.

PROGRAMMES OF STUDY

The college imparts education at both Higher Secondary (10+2) and Under Graduate (10+2+3) levels in all the 3 (three) streams - Arts, Commerce and Science. The college has introduced PG Courses in Arts, Commerce, M. Sc. Mathematics and PGDCA under Gauhati University Institute of Distance and Open Learning (GUIDOL) from the Academic Session 2015-16. A separate Prospectus is issued from the GUIDOL for the PG Courses.

FOUR YEARS UNDER GRADUATE PROGRAMMES (FYUGP):

From the Academic Session 2020-21, affiliation of the college has shifted from Gauhati University to Bodoland University, Kokrajhar and Tangla College has been following the new FOUR YEARS DEGREE COURSE syllabi offered by the Bodoland University in the undergraduate level.

The under graduate programmes contain the following courses:

1. Under Graduate Programmes in Arts, Commerce and Science (8 semester course, both Major & Minor Courses).
2. Bachelor of Computer Application (8 semesters Major course).

Eligibility : Any Higher Secondary (10+2) pass candidate can take admission into the BA, BSc, B.Com & BCA course.

Curricular components

The entire FYUGP curriculum is to be divided into two parts – (a) Core Courses and (b) Common Courses, which are described below.

Core courses : The core courses constitute Majors and Minors. Usually, a student will choose one Major subject and two Minor subjects. All core courses have a credit allocation of 4. Altogether, irrespective of any Major or Minor options, a student will necessarily need to study 21 courses with total credit allocation of 80 over a 3-year programme.

Major Course : The minimum credit requirements for a Major Course over a 3-year period is 60 which translates to 15 courses (papers).

Minor Course: The minimum credit requirements for a Minor Course over a 3-year period is 12 which translates to 3 courses (papers). Second Major Course Provided a student has a Major Course with 60 credits, she/he can convert one of her Minor Courses to a Second Major only with a credit allocation of 40. In that case, she/he gets a degree with Double Major and Minor. So, in general the total credit requirements of 80 in core courses translates to a single Major and two Minors. But a student can choose otherwise as well. To know how, see the section on Degree Options.

Common courses : As the name suggests, these courses will have to be studied by all students of FYUGP. Together the common courses have a credit allocation of 36 divided over five subdivisions. They are :

- (a) Value Added Courses (VAC) : Total Credits 6,
- (b) Ability Enhancement Courses (AEC) : Total Credits 8
- (c) Multidisciplinary Courses : Total Credits 9
- (d) Skill Enhancement Courses (SEC) : Total Credits 9
- (e) Internship : Credit 4

A brief description of these courses are given below.

- [Multi-disciplinary Courses](#) - These are 3-credit courses spanning over five different groups of subjects — (i) Natural and Physics Science, (ii) Mathematics, Statistics, and Computer Applications, (iii) Library, Information, and Media Sciences, (iv) Commerce and Management, and (v) Humanities and Social Sciences. The level of these courses are of Class XII. Each student need to take at any three courses, each with 3-credits from these five sub-groups during Semesters 1-3.
- [Ability Enhancement Courses \(AEC\)](#) - This is a 8-credit course covering Modern Indian Languages (MIL) and English Usage (Communication). Each student need to complete two courses of 4-credits each – one from English Usage and other from the group of MIL, especially designed for this purpose. Both these courses are split into 2-credit parts each. The English Communication course is to be completed during the 1st and 2nd Semesters and the MIL course is to be completed during 5th and 6th Semesters.
- [Skill Enhancement Courses \(SEC\)](#) - These are various skill courses with total credit allocation of 9. All students need to complete three Skill Courses, each with 3 credits, in Semesters 1, 3, & 3.
- [Value Added Courses \(VAC\)](#) - The VAC courses will come from four sub groups — (i) Understanding India, (ii) Environmental Science, (iii) Digital and Technological Solutions, and (iv) Health & Wellness, Yoga Education, Sports, and Fitness. All

together they will have a credit allocation of 6. Each student will have to take any three courses, each of 2-credits, from any three groups during Semesters 1, 3, & 4. Here one course from the Environmental Science group is compulsory except if the student takes a core course on Environmental Science.

- **Internship** - All students are to carry out an Internship with a credit allocation of 4. The internship can be carried out in any semester during Semesters 3-6. As internships are meant to be done during semester breaks, they will not interfere with other classes.

Course levels

- 000-099 : Pre-requisite
 - 100-199 : Foundation & Introductory
 - 200-299 : Intermediate-level
 - 300-399 : Higher-level
 - 400-499 : Advanced course
 - 500-599 : First-year Masters-level
 - 600-699 : Second-year Masters-level
 - 700-799 : Doctoral-level
- Course levels 0-499 are for FYUGP

ABC (Academic Bank of Credits) : The BU-FYUGP is directly connected to the ABC (Academic Bank of Credit) as notified by the UGC. All credits a student earn at the end of an examination in BU-FYUGP, will be deposited in the ABC by the university. As such it is mandatory that a student under BU-FYUGP register for the ABC as notified by the regulatory agencies.

Progression and Exits : The progression and exits during the whole course structure is given below.

- After 1 Year** - One can exit just after one-year. In this case, the student will have to complete one extra Vocational / Skill course (Exit Course) of 4 credits and can exit the programme. The student will get a Certificate. The minimum total credit requirements is 44 (and 4 credit extra for the exit Vocational course).
- After 2 Years** - One can exit the programme after two-year course as well. In this case, the student will have to complete one extra Vocational / Skill course of 4 credits and can exit the programme. The student will get a Diploma. The minimum total credit requirements is 88 (and 4 credits extra for the exit Vocational course).
- After 3 Years** - If a student completes 3 years, s/he can exit the programme. In this case the student will get a Bachelor's Degree. The minimum total credit requirements is 120.
- After 4 Years** - After completion of 4 years, the student gets either a Bachelor's Degree (Honours) or a Bachelor's Degree (Honours) with Research. The minimum total credit requirements is 160.

It should be noted that any certificate / diploma / degree is awarded only if the student clears (i.e. passes) all the required courses (papers) till that point of time.

Multiple Exits and Entries : The FYUGP allows students to have multiple exits and entries. That is a student can exit the programme, say after one year (as shown above) and then again can enter the programme at a later time and can continue the programme from where s/he left. This process can be executed multiple times.

However, the entry into the programme is subject to availability of positions at that point of time and in that institute / college. Besides, the following should apply

- (a) A student will get a certificate / diploma / degree on exit from the BU-FYUGP (depending on in which year the student exits), only when the student passes in all the minimum compulsory courses at that point of time.
- (b) After an exit, either after Year 1 or 2, the student can seek an entry only into the same programme to which the student was admitted.
- (c) When a student exits the BU-FYUGP after 3 years with a Bachelor's Degree, s/he can not seek reentry into the programme at the fourth year, rather s/he will need to take admission into the Master's programme at the first year.
- (d) As the contents (syllabi) of all the courses are subject to modification from time, when a student enters into the programme after an earlier exit, the contents of all courses will be what is as per the syllabi at the current point of time.

Degree Options ; Broadly the FYUGP will have two degree options — (a) Degree in a Stream and (b) Degree in a Discipline. In all cases, the requirements of core and common courses remain same.

Degree in a Stream - Different subjects of FYUGP is divided into three broad streams — (i) Arts, (ii) Science, (iii) Commerce & Management, and (iv) Interdisciplinary.

These are the following options under this category.

Degree with Major and Minors - In this case, a student studies one Major subject which consists of 15 courses and two Minors which consists of 6 courses (3 for each Minor). The student can also utilise the free credits to study another Minor as well (3 more core courses in another subject).

Degree without Major - In this case, a student studies all the three core courses equally over a period of 3-year programme.

Degree with Double Major - In this case, a student needs to utilise all the free credits (12 in total) to study 3 more courses of one of the Minors and earn another 24 credits from MOOCs (subject to permission) on the same Minor to earn total credit of 48. In this case, the student gets a second Major in that subject (the Minor subject). It should however be noted that a second Major (or double Major) can be obtained only if the student earns the first Major.

Nomenclature - The nomenclature of the degree in the above cases will be such as Bachelor of Arts/Science/Commerce/Management.

Degree in a Discipline - In this case, a student studies all the 21 core courses from a discipline designed for that purpose. These kinds of degrees will not have any Major or Minor. An example would be Bachelor's Degree in Information Technology or Bachelor's Degree in Business Administration etc. There will primarily three types of degrees in a discipline.

They are :

- (a) Bachelor's Degree in a Discipline viz. Bachelor's Degree in Business Administration.
- (b) Bachelor's of Arts / Science in a Discipline viz. Bachelor's Degree in Science in Microbiology.

- (c) Bachelor's of Vocation or Bachelor's Degree (Vocation) in a Discipline viz. Bachelor's Degree (Vocation) in Small tea Garden Management

Choice of Courses : Prerequisites - Prerequisites are conditions which need to be fulfilled prior to admission into the FYUGP. Each subject and its course (paper) has their own prerequisites, which need to be fulfilled by a student prior to enrolment. For example, having Class XII-level Math is a prerequisite required to opt for Physics at the FYUGP. Here, having a prerequisite necessarily means that the student needs to have passed in the subject.

Requirements - As opposed to prerequisites, the requirements are conditions which need to be fulfilled when a student chooses a certain subject or course. For example, when a student wants to study Botany as a subject, Chemistry as another subject must be studied.

Course Options - Subject to fulfilment of prerequisites and requirements, a student can choose any subject as core subjects. The nomenclature of the degree awarded (whether Bachelor of Arts or Science) will be decided by the group to which at least two subjects belong.

Evaluation

A student's performance will be evaluated throughout the year based on continuous assessment. Evaluation of the student's performance in each semester for every course/paper will be based on the following:

- Internal Assessment (IA)
- End Semester Examination (ESE)

For a student to pass in a course/paper, she/he has to pass in both Internal Assessment and End Semester Examination separately.

Internal Assessment (IA)

IA will ideally account for 30% of the total marks allotted to a course/paper. For evaluating the performance of the students in a continuous way, the following measures will be adopted for distributing marks earmarked for IA.

- (i) Sessional or mid-term examination will be conducted for 50% of the total marks allotted for IA of a course/paper. (For example, if 20 marks is allotted for IA of a course/paper, then 10 marks will be kept aside for assessment in sessional or mid-term examination. The sessional examination will be held for 20 marks for the convenience of setting questions and covering the syllabus and the marks secured by the students will be proportionately converted to be out of 10 marks. Duration of the examination will be one hour. The question papers of the sessional or mid-term examinations will be set by the concerned teacher(s) and the evaluated answer scripts will be shown to the students and corrections will be made, if any.
- (ii) 20% of the marks allotted for IA will be awarded to the students based on class attendance. If the total marks for IA is 20, then 5 marks will be awarded to the students based on class attendance. The following criteria will be adopted for awarding marks under this category:
 - a) Class attendance from 75% to <80% = 1 mark;
 - b) Class attendance from 80% to <85% = 2 marks;

- c) Class attendance from 85% to <90% = 3 marks;
 d) Class attendance from 90% to <95% = 4 marks.
 e) Class attendance from 95% to <100% = 5 marks
- (iv) Remaining 30% of the marks allotted for IA will be distributed and awarded on the basis of performance of the students on the following criteria:
- Home assignments/Projects;
 - Seminar/Group discussions;
 - Field work;
 - Performance in co-curricular and extra-curricular activities.

End Semester Examination (ESE)

The ESE will comprise of 70% of the total marks earmarked for a course. The ESE shall be of three-hour duration for a course whose ESE component exceeds 50 marks. For a student to pass in a course/paper, she/he has to pass in both Internal Assessment and End Semester Examination separately.

Pass Marks

- A student is required to pass each paper/course of the End Semester Examination with minimum pass grade of 40% in both theory and practical.
- A student must pass in both internal and external examinations of a paper (theory and practical) separately if he/she has to pass in that paper. Passing a UG course in any subject does not automatically imply qualifying in Major.
- Candidates who fail to secure minimum pass grade (equivalent to 40% marks) in a course (IA and End semesters separately) and fails to obtain Semester Grade Point Average (SGPA) 4.0 shall be declared unsuccessful. They shall be required to clear the arrear or backlog though re-appearing in the examinations.
